A family dedicated to glorifying God by reaching out,
 teaching His word, seeking growth and
 serving family, youth and community.

 and would love for you to be included in our future, and us in yours.
 We invite you to journey with us toward greater faith, hope and love.**

Prayer Requests

Ken Kern – he was released from the hospital. They are attributing the leg pain to his ongoing back problems. Ken's son, Don, has been seeking a job in HVAC and is in danger of losing his house

Thomas Giddings – had surgery last week to remove a brain tumor. It was not cancerous and he is now at home.

Thanksgiving!!! – for allowing us to see 2012, for the love that we experience at Northern Light, for God's grace and mercy

Ruby Johnson – prayer of thanksgiving...Shelly Lage's surgery went well, no cancer.

Susan Nelson – her sister, Carolyn Polkinghorn, has cancer

Donna Boon – her brother, Jon Trimble, passed away.

Rhonda - her CA125 number (tumor markers) went down from 474 to 394 so that tells us that the treatment is really working!

Nan & Rod Miller – her brother-in-law has pancreatic cancer that has spread to his liver; Rod's surgery went well, they got all of the cancer. Thank you for your prayers and thank God for answering them!

Pray for those searching for jobs

Joy West – her son and family have moved to Perth, Australia.

Renter/tenant for the church building

Phil Johnson – experiencing extreme back pain & sciatic nerve pain

Hill Family – their friends, Charlie & Lynda Davidson, have a new baby daughter, McKenna, she is in the NICU

Mike Harrison – his nephew, James Dimond, was in a car accident and ejected from his car, he is in the ICU unit and still in extremely serious condition.

Elijah Yarpah – pray for my daughter, Princess, that God will direct her path as she is going through a movement of change back in Liberia

Lorraine Anderson – pray that Lori and Dave will be able to find permanent work soon.

Britny Harrison – pray for the Lewandoski family. Their 16 year old son took his life last week.

Julie Libby - Nora Boss is our friends' two year old grandchild. She has cancer and they think the chemo has damaged her liver. She is in ICU.

Ronnie Dean - Rita Petkoff, she is in ICU at Mercy Hospital in Coon Rapid. Rita had breast cancer surgery, but has an infection.
