Prayer Requests

Health Concerns:
Rhonda Peek – Last week we learned that Rhonda's cancer is advancing & further chemotherapy will not have any positive effects. Rhonda has elected to continue medication & therapy that could assist in maintaining her quality of life. We thank you all for your continued support & prayers. While we are saddened by this news as her family, we are excited for our sister in Christ. Rhonda feels very good overall & is able to manage her pain thus far. Rejoice with us as Rhonda prepares to meet the King. May your faith be strong & your path straight. GOD IS GOOD ALL THE TIME...ALL THE TIME, GOD IS GOOD!

Susan Nelson – her sister, Carolyn Polkinghorn, has cancer and has also developed heart problems.
Ryan Woods – Justin’s friend, has a terminal spinal tumor
Jack Sikes – diagnosed with stage 4 lung cancer
Joyce Bagley – diagnosed with shingles. Also, her niece, Veronica Phillip, has been hospitalized since December.
Ed Peek – an employee of his, Jennifer Wilkinson, will be having surgery this week to have alarge mass removed that could possibly be cancerous.

during the day.

We will need someone to be here before and during
lunch and for clean up afterwards. Excell Academy

From "Gift from an Angel" by Eileen Goble

"Always see the good in all things, even if the darkest side
is what is shown to you. There remains the good to be
recognized. Look with unconditional love,
and you cannot fail"

"Fear not and be thankful, know your every need is being
taken care of. If you are thankful, then you drive out fear.
Do not worry about what is ahead, the journey ahead is
assured. Have you not been brought forth so far in spite of
all fears. Have you not travelled safely through all the trials,
sorrows and tribulations of life. You never walk alone. Look
back only to recognize the beauty you left behind, do not
regret the past, bless it for had you not travelled by that
path you would not be here."

"So life brings sorrows and anxieties. Fear not, have faith
and courage for others look to you to see the light shining
forth, maybe unconsciously, they still do, for they know
you have something special which is helpful and good."

“Let go, surrender - lay down your problems, do not try to
unravel the knots, it only gets tighter as you pull it. Let it
go, concentrate with all your heart on love, knowing the
knot will be unravelled if you stand back. Fill yourself with
love and ask truly for guidance, your problems will be
solved.”

Homemade Laundry Soap is
available in the lobby as an
FPYC fundraiser.

It is \$5.00 per gallon.

Building Update

We have a new renter. Excell Academy for Higher
Learning moved in last week and classes will begin this
coming week. They are a charter school based in
Brooklyn Park and their 7th & 8th grades will be here
starting Tuesday through January 15,
and possibly a little longer.
Praise God! We’ve been praying for this.

We need your assistance ... please do not leave anything
at the building with the intention of donating it
unless you have spoken with Gene Tarnowski
or Melissa Ward ahead of time.
We have very limited storage space
and need to be good stewards of the
property that we already have.

In addition, when you are in the building, please
be mindful that we do have things in common areas that
belong to our renters. Take notice of signs, particularly
in the kitchen, and only use Northern Light supplies.

Thank you very much for your help!
