We Will Miss You!

That has to be one of the biggest understatements that could be made.

But, since there are no words to adequately express it, they’ll have to do.

Justin, Amy, Ally, Lauren and baby Zeke will be leaving us in mid-July to move to Oregon.

We’re happy that they will be closer to their families and be able to spend more time with them.

We will be having a potluck on Sunday, July 13, to honor them.

Please make plans to be here and bring a dish to share.

It is time to get your camp applications in – camp sessions are beginning soon. Junior camp starts on June 22nd and Senior camp starts on June 29th. There are camp registrations forms on the bookcase in the back of the auditorium. There are also camp scholarship applications if anyone needs assistance with fees. We want everyone who wants to go to camp to be able to go to camp - the funds are available if needed. Fill out a scholarship form if you are seeking funds for camp and give to Margie Weber. If you have any questions, see Margie or you can call her at 763-425-1331.

Also, remember the bring a friend for free program. The only requirements are: Friends must be first-time campers at FPYC, Friends must be of camper age (9-18) and Friend must attend the same session.

The sessions are:

Junior Camp June 22—28

Moving Help Needed!

Please mark your calendars for Saturday, July 12. Justin and Amy will need help loading the truck with their belongings.

Please watch the bulletin for further details as we get closer to the date.

Let’s Show Support for Joy!

Joy West will be participating in the Relay for Life, an event of the American Cancer Society on Friday, June 20 at the Anoka County Fairgrounds.

Relay For Life teams camp out overnight and take turns walking or running around a track or path at a local high school, park, or fairground. Events are up to 24 hours long, and because cancer never sleeps, each team is asked to have at least one participant on the track at all times.

Each year, more than 4 million people in over 20 countries raise much-needed funds and awareness to save lives from cancer through the Relay for Life movement.

Celebrate

During a Relay event, participants and survivors celebrate what they’ve overcome.

Remember

We remember people lost to the disease, and honor people who have fought or are fighting cancer.

Fight Back

The event inspires Relay participants to take action against a disease that has taken too much.

You can learn more about Relay for Life at www.relayforlife.org

If you would like to be part of Joy’s team, please see June Harrison for more details.
