Great News!

We are very excited to share the news with you that Jim Hinton has accepted the offer to become our new Minister with Northern Light! He and Laura will be relocating from California. The move details are still in the early stages, so we don't have a lot of details, but anticipate that he will begin September 1.

We would like to thank the Minister Search Team, the Leadership Team, and everyone who was able to meet Jim and Laura last weekend and give their feedback. We had an exceptional spirit-filled worship service and a wonderful weekend with them.

IN CHRIST

ALL PEOPLE

Jim and his wife Laura currently live in San Diego where he is the Spiritual Formation Minister at the Canyon View Church of Christ.

Jim has held a variety of ministry positions over the last 20 years. He attended Sunset School of Preaching for his basic Ministerial Program and Missions Programs and he also has a Master of Arts in Counseling Psychology.

Praise God for his extravagant blessing of leading Jim and Laura to us and us to them! We look forward to working side by side with them.

Sunday Funday/International Day/Church Picnic

TODAY is the date! We decided to combine Sunday Funday, International Day and the Church Picnic into one big bash!

After our morning worship service, we will have a picnic and lots of fun and games.

Amazon Anyone?

Are you an Amazon.com shopper?

Did you know that if you simply go to smile.amazon.com .05% of your purchase amount is given to Northern Light.

The price of your purchase is the same exact amount as an amazon.com purchase.

The first time you use smile.amazon.com, you will designate which charity you would like to receive these dollars and you can change it anytime you choose to.

If you have questions about it, please see Melissa or Dave Ward.

MELA Playground Installation Assistance

MELA will be getting a brand new playground for next school year. The plan for installation is August 13.

They could use some helpful hands for installation.
If you are able to help, please contact Lisa Dotson.

A HUGE THANK YOU!!!!

Thank you to everyone who help with our worship set-up last weekend. It took real team work to pull it all together so quickly and you did a wonderful job!

I wish I had the names of everyone who helped, but I was only in there for a few minutes and don't want to miss anyone.
