## Great News!

We are very excited to share the news with you that Jim Hinton has accepted the offer to become our new Minister with Northern Light! He and Laura will be relocating from California. The move details are still in the early stages, so we don't have a lot of details, but anticipate that he will begin September 1.

We would like to thank the Minister Search Team, the Leadership Team, and everyone who was able to meet Jim and Laura last weekend and give their feedback. We had an exceptional spirit-filled worship service and a wonderful weekend with them.

Jim and his wife Laura currently live in San Diego where he is the Spiritual Formation Minister at the Canyon View Church of Christ.

Jim has held a variety of ministry positions over the last 20 years. He attended Sunset School of Preaching for his basic Ministerial Program and Missions Programs and he also has a Master of Arts in Counseling Psychology.

Praise God for his extravagant blessing of leading Jim and Laura to us and us to them! We look forward to working side by side with them.

## Building Updates

I know we've mentioned it before, but this is a reminder that we will be doing things a little differently this fall, as we get closer to school beginning.

We have been soooooo blessed that God sent  
MELA to us. It has been a real blessing for us  
and for them.

They are growing and able to serve more children. For the next school year, things will be a little crunched as far as space, but we are working through it. Classrooms that we use will be changing, etc.

We thank you in advance for your patience  
as we work through  
the changes and challenges.

## Amazon Anyone?

Are you an Amazon.com shopper?  
Did you know that if you simply go to  
smile.amazon.com .05% of your purchase  
amount is given to Northern Light.  
The price of your purchase is the same exact amount  
as an amazon.com purchase.

The first time you use smile.amazon.com, you will designate which charity you would like to receive these dollars and you can change it anytime you choose to.

If you have questions about it,  
please see Melissa or Dave Ward.

## MELA Playground Installation Assistance

MELA will be getting a brand new playground for next school year. The plan for installation is August 13.

They could use some helpful hands for installation.  
If you are able to help, please contact Lisa Dotson.

**Thank You Very Much!**

A huge thanks to everyone who helped make last week such a success! Emem Akpan and David Dotson planned a wonderful service highlighting and updating our missions around the globe. Mike Harrison and Jeff Lee did a great job grilling the meat. We couldn't have done it without all of the hands who were willing to help prepare food, set things up, clean up, etc.

Thank you!
