STUDY CONTINUES WEDNESDAY AT 7:00 PM

Former journalist and skeptic Lee Strobel has discovered something very interesting about science. Far from being the enemy of faith, science provides a solid foundation for believing in God.

New discoveries in such scientific disciplines as cosmology, cellular biology, astronomy, physics and DNA research point a complexity best explained by the existence of a Creator.

Upcoming Sessions:

- Doubts and Darwinism (9/26)
- The Evidence of Cosmology (10/3)
- The Fine-Tuning of the Universe (10/10)
- The Evidence of Biochemistry (10/17)
- DNA and the Origin of Life (10/24)

As a Christian non-profit organization, Feed My Starving Children is called to feed God’s starving children hungry in body and spirit. With God’s help and volunteers like you - churches, organizations, and ministries across the globe they/we will end world hunger.

Donations given by people who fund the meal ingredients. Then volunteers like you hand-pack the meals. Meals are then sent to FMSC food partners in places like Haiti, Ghana, and Pakistan around the world, where kids are fed and lives are saved

FMSC offers volunteers a one-of-a-kind experience. You’ll hand-pack rice, soy, dried vegetables and a nutritionally complete blend of vitamins and minerals into bags which are then sealed, boxed, placed on pallets and shipped to our incredible partners around the world.

Through volunteering at FMSC, you’ll get the chance to impact hundreds of kids in just two hours per packing shift. You’ll experience what it’s like to make a tangible difference today.

Join the Northern Light Service team on Saturday, October 13th from 11:30 to 1:30 to help with this worthy ministry.

HALLOWEEN BLOCK PARTY

SATURDAY, OCTOBER 27TH FROM 11:00 TO 1:00 PM

One of the greatest challenges for the 21st Century church is to find ways to develop positive relationships with its community. So many people are cynical about organized religion. That’s why our Halloween Block Party is so important.

Ultimately, this event just fun activities, games, or candy – but rather it is about telling the hundreds of guests that we not only love God – but we also we love them too!

So, commit to helping with the Block Party in any way. Remember – you’re not just

setting up tables, painting faces, decorating cookies, or monitoring the bounce houses, etc. - you are demonstrating the love of Jesus to others.

By far the most important thing you can do at any of our Community Outreach Events is to offer the people a warm smile, a welcoming handshake, and pleasant conversation.

This is the way that a church builds goodwill and trust in their community.
