SERVICE PROJECT AT FMSC**

**Saturday January 12, 2019
11:30 AM - 1:30 PM**

The wise man Solomon once said,

Honor the LORD with your wealth and with the best part of everything you produce. Then he will fill your barns with grain, and your vats will overflow with good wine.

Proverbs 3:9-10 (NLT)

This scripture is not just about being rewarded for giving generosity to God's causes. This is a much more "holistic" promise. The Lord is saying that if we will honor Him by managing everything that He gives us, our time, talents, money, etc. - His way - He will make sure that we always more than we need. The question is, "Are we willing to take Him at His Word?"

The good news is that God has given us reliable, relevant and practical principles in his Word to help us make this promise a reality. And that's why in January we will begin a new series of messages entitled, "Godonomics - How to Make the Most of What You Have"

1. Who's the Boss? (1/13)
2. When is Enough Enough? (1/20)
3. The God Math of Generosity (1/27)
4. The Best Investment Ever (2/3)

We will be holding our annual Congregational meeting on Sunday, January 13, 2018 following our morning worship service.

During this meeting, we will be electing/reelecting Trustees, sharing 2019 budget information and updating the congregation on 2018 accomplishments and 2019 plans. Please be sure to plan to be here and stay.

CHILD CARE**

Northern Light is offering an exciting 9 week class entitled Financial Peace University to help you learn how to better manage your money and your life. FPU is taught via video by author, nationally syndicated radio talk show host, and personal financial expert, Dave Ramsey. Dave presents Biblical, practical, and entertaining lessons about how to handle your financial resources God's way, break the habits that have robbed you of your contentment, and empower you to live as never before. The hour long video is followed by an hour of small group discussion.

This class will teach you how to save money, live on budget, communicate with your spouse about finances, eliminate debt, save for college, and experience the joy of giving. On average families who complete the course pay off \$5300 of debt and save \$2700 in just 91 days! If you have questions talk to Jim Hinton or go to www.daveramsey.com/fpu. You can register for the class today by going to www.fpu.com/1073972.
