DOES GOD EXIST?
SEMINAR WITH JOHN CLAYTON

**CONCLUDES
TONIGHT
AT 5:00 PM**

For over 50 yeas scientist John Clayton has been presenting the faith affirming evidence for the existence of God all over the world. He is an educator, author and—at one time—a “militant atheist” who rejected and even attacked religion. However, his research led him to question his own God-less ideas and faith in Jesus Christ. John has authored many scientific study materials as well as his book, The Source: Eternal Design or Infinite Accident? In addition, he edits a quarterly journal, “Does God Exist?”

**INTERNATIONAL
SUNDAY**

**LET’S CELEBRATE OUR DIVERSITY
WITH A SPECIAL WORSHIP, MISSION
REPORTS, AND A POTLUCK PICNIC**

Sunday, July 14th will be our annual International Sunday. This is a tradition at Northern Light in which we not only celebrate our diversity as a congregation – but also have a special worship with guest speakers and reports about our foreign and domestic mission efforts.

In coming weeks we will have more information about how you can help and what you can bring. If you have any questions or would like to help in some way contact Emem Akpan.
