

### Great Job Northern Light Church!

During the month of March, Northern Light Church has collected \$1,040 to help fight child hunger through Every Meal!

Since March of 2020, Every Meal (formerly Sheridan Story) has responded to the skyrocketing increase in food insecurity in our community as a result of the COVID-19 pandemic by adapting their food gap programs to get food to children and families who need it most. They're continuously monitoring and adjusting their response. They're currently providing over 200,000 meals a month across 33 school districts in Minnesota and working with other partners to make food available to local children and families.

Every Meal focuses on the food gaps when children aren't able to receive free and reduced meal programs. They provide weekend and other food gap programs serving over 10,000 children across 300 locations.

Thank you to everyone who participated!
