We can't wait to see **YOU** on the 12th!

If you have a child outside of these ages and have questions about opportunities for them, please contact Melissa Ward.

CONFIDENT FAITH FOR THE PRESENT CRISIS

A STUDY OF HEBREWS

SUNDAYS AT 9:00 AM

Do you want to be a stronger Christian? Would you like to live victoriously even when the worst problems, enemies, obstacles, and heartaches come against you? Are you looking for a faith that will keep you confident that no matter what happens God still loves you, is still on His Throne, in control, and behind the scenes arranging things according to His best plan for your life?

Then this study of Hebrews is for you – because that is what this letter about! It was written to inspire a faith in us that is so confident that we can persevere through the most difficult crises in our lives. The difficult crisis the original Jewish Christian recipients were facing was terrible persecution by the Roman Empire as well as being rejected by their own people, families, and communities - simply because they had decided to follow Christ.

But, Hebrews was written to convince suffering Christians of any time or place to never give up because Jesus Christ is worth the sacrifice. He is God's Son and the Messiah. Jesus is superior to anybody, anything, any religion, power, pleasure, or possession you will ever find in this world – so hang in there!
