

Congratulations Zinedine!

Zinedine Gbahay is soon to be an official
high school graduate
of the class of 2021/22.

We are very proud of you, Zinedine, and pray that
God will richly bless you as you continue on to
your next phase of life.

(Congratulations also to Rosalyn and Kabinah—
we know that you are proud of this accomplishment too).

BUILDING/RENTER UPDATE!

We have wonderful news! We have officially signed a one year lease with
Innovation Science and Technology Academy (Innovation Academy). They
are a public charter school serving students in Pre-K through 8th Grades.

They focus on STEM curriculum (science, technology, engineering and
math). Here is a link to their website if you would like more information about them...

<http://www.innovationsta.org/>

We have had a wonderful relationship with Nasha Shkola and wish them well as they work
to expand their school in Golden Valley.

Nasha Shkola will be moving out by the end of June and Innovation will be moving in at the beginning
of July. The summer months will be spent preparing the building for next school year as usual:
painting, carpet cleaning, fire alarm inspections, etc.

We are in the process of requesting rezoning of our building from the city of Brooklyn Park. We are
currently zoned as Residential which requires us to petition the city basically with each new renter.
Our property is zoned "Institutional" in the city's long-term plans and we are hopeful that our request
for this rezoning is granted. The process will not be completed until mid-August.

We look forward to this new partnership with Innovation Academy and will keep you updated as
things progress. If you have any questions, please don't hesitate to ask David or Melissa Ward.
