

Help Us Get to Know You!

We are going to begin a new monthly addition to our bulletin. The first week of each month, we will be including information that members have included about businesses they have and hobbies, interests or special skills that they have and would be interested in sharing or helping others with.

If you have a business or hobby/special interest/skill that you would like highlighted, please send the information to Melissa no later than the 20th of the prior month. You can either send a PDF or just the information and I will format it for the bulletin.

We look forward to learning a little more about you!
